- Existing requirements for who may make the investment will remain the same as will the requirement that funds be unencumbered and lawfully acquired.
- Investors will also still be required to reinvest funds within 30 days of withdrawing them from a complying investment or cancelling the investment in order for the investment to continue to be complying.
- Direct investment into residential real estate is excluded and indirect exposure through investment vehicles is to be restricted to less than 10% of a vehicle's net assets.
- Exclude 'loan back' arrangements where the investment is used as collateral by applicants.

2. Significant Investor Visa (SIV)

- Investments must be provided by an Australian Financial Services (AFS) licensed manager(s) domiciled in Australia.
- Fund managers must be independent of the applicant and their spouse.
