Immigration

Perdaman Global Services has a strong and proven track record in providing visa and immigration solutions. Our team of Registered Migration Agents (RMAs) assist with all matters related to Australian Immigration and Visas. Our RMAs follow the Code of Conduct issued by the Migration Agents Registration Authority and provide a high calibre and reliable services to our clients.

Recruitment

Do you need a real solution for skills shortages that is long term and best suited to your business? With our help you'll have the capability to source overseas workers with ongoing support throughout the whole process. From shortlisting candidates to mobilising them, we will assist you every step of the way to ensure your needs are met.

Translations and interpreting

Our translation department can assist our clients with access to more than 300 languages, 24 hours a day, from your office, home or mobile phone. Translating available on mobile phones (IOS or Android), desktop PCs, tablets and even land lines, giving you access to more than 3,000 professional interpreters within seconds.

Education

Australian universities are renowned for their world-class education opportunities for international students. To help you decide, Perdaman Global Services hosts immersive study tours, providing a first-hand insight into the experience of living and studying in Australia, giving applicants peace of mind during this critical decision-making process.

About

Perdaman Global Services combines a team of professional staff who are among Australia's most experienced migration agents and recruitment, translation & interpreting consultants.
